SINGLE HIGHLAND MALT  
SCOTCH WHISKY

# THE REAL TASTE OF MALT

Glengoyne is one of the leading premium malt whiskies in the world. An award winning malt, it's the product of an unconventional process, remarkable ingredients, and the pride and passion of its people. The Glengoyne Distillery is situated in a wooded valley in the southern Highlands of Scotland close to a small river that flows into the famous Loch Lomond. The distillery, which takes its name from "Glen Guin" or Glen of the Wild Geese, has been producing an exceptional single malt scotch whisky since 1833.

**21 YEARS**

"The jewel in the Crown" with age this malt has achieved its optimum balance of flavor. Dark gold in color with a mature rich apple fruit nose leading to a full aromatic palate, with hints of oak and spice finishing to a soft smooth length.

**17 YEARS**

A whisky with greater exposure to the cask and more mature characteristics. A more concentrated but well balanced palate of flavors is evident while retaining the clean delicate taste of the 10 year old product. Medium golden, clear and bright in color, with soft, mature mellow oak and apple aromas. A rich palate, full of oak and fruit. With a very long finish.

**10 YEARS**

A subtle, complex whisky in which all of the delicate flavors are freely allowed to express themselves. Medium golden tones, clear and bright in color, with rich malt aroma and hints of oak, apple and sherry. On the palate, smooth and delicate, oak and apple flavors with a fruity finish.
