THE BLUE NUN STORY

Enjoyed in over 70 countries, Blue Nun is one of the longest lived, best known and most widely distributed wine brands in the world, but how did the grand old lady become so popular?

Born during the classic vintage of 1921, the Blue Nun label has undergone many changes over the last nine decades, but one key element that has remained constant is quality. Today Blue Nun has the same fresh fruity character and full bodied taste that has attracted wine lovers for over ninety years.

BLUE NUN

RIVANER QUALITASWEIN

Blue Nun Qualitätswein is produced from the Rivaner grape variety which has a fruity (peach and green apple) character with a gentle spicy Muscat and walnut aroma.

The wine has an exciting and lively style, clear fruit definition on both palate and nose; a well balanced depth of flavor, harmonious acidity and a softness of texture.

Blue Nun Rivaner is ideally matched to fusion and oriental cuisines.
